W.A.No.1886 of 2007

Dated, this the 31st day of July, 2007

JUDGMENT

H.L.Dattu, C.J.

This appeal is directed against the judgment passed by the learned Single Judge in W.P.(C).No.21552 of 2007 dated 16.07.2007.

(2) What was questioned by the appellant is an order passed by the authority under the provisions of the Kerala General Sales Tax Act ("Act" for short) in exercise of his powers under Section 45A of the Act. If for any reason the appellant was aggrieved by the order aforesaid, he is expected to call in question the same by way of revision as provided under the Act. Without exhausting the remedies available under the Act, the appellant could not have approached this Court. This is what the learned Single Judge has said in the order impugned in this appeal. The reasoning and conclusion reached by the learned Single Judge is in accordance with the provisions of the Act and also in consonance with the observations made by various Courts including the Supreme Court. In that view of the matter, we see no error in the order passed by the learned Single Judge which would call for our interference in appeal. Therefore, the Writ Appeal requires to be rejected and it is rejected.

Ordered accordingly.
